

EVERYTHING YOU EVER WANTED TO KNOW ABOUT...

...YOUR VOCAL MUSIC AUDITION

What to expect:

- Please arrive 20 minutes prior to your audition time. Come into the lobby of the building and sign in. You will be given a number and have a picture taken of you.
- Please warm up as much as possible before you arrive. A small warm up room will be available while you wait. The warm up room will not be private so other applicants may be in the room warming up at the same time as you.
- You will be directed to the audition room when the panel is ready for you. Parents/guardians will be invited to wait in the lobby once you go into the audition room.
- When you enter the room, a panel of three or four musicians will greet you. You will have a moment to prepare to sing your prepared pieces.
- You will sing your two prepared pieces. The panel will give you some feedback and ask you some questions in order to find out more about you personally, particularly your interest and motivation to pursue advanced music studies at NMSA.
- Your audition will last about 20 minutes. You will have a chance to gather your things and say farewell to the panel. You will be free to go once you leave the audition room.
- If you are missing school in order to attend your audition, please ask for an excuse note at the sign-in table.

What to prepare:

- Please prepare two contrasting works. For example, you may choose a work with a quick tempo and contrast that with a slow or moderate tempo work. If these works have a piano accompaniment, you will need to bring the music on a CD (no cassette tapes accepted) or have an accompanist with you for the audition. Each piece should be no longer than three minutes in length.
- For more information on what the panelists will be evaluating please visit our website at www.NMSchoolForTheArts.org and click on the Vocal Music Rubrics.
