WHEN YOU SUPPORT NMSA

YOU SUPPORT STUDENTS FROM ACROSS NEW MEXICO!

NMSA is New Mexico's only public, statewide, visual and performing arts high school. While public school dollars support NMSA's academic curriculum, we depend on your generosity to fuel our arts programs, residential dormitory, and community outreach programming.

To continue bringing our bold mission to life, NMSA requires the support of everyone who believes in what we do.

ArtSpring is NMSA's largest fundraiser and celebrates statewide artistry and collaboration!

NMSA's 332 students come from 39 communities across New Mexico's three congressional districts.

YOUR ARTSPRING SPONSORSHIP...

FUNDS the growth of emerging artists across the state through in-class coursework, studio work, and in-the-field instruction. Guest artists, master teachers, and partnerships with other arts institutions regularly complement daily instruction.

IMPROVES student achievement—research shows that studying the arts alongside other academic subjects significantly boosts student achievement. Schools that integrate arts into their curriculum show improved performance in math, English, critical thinking, and verbal skills.

RETAINS and supports faculty as they continually enhance our intensive visual and performing arts programs alongside our comprehensive college preparatory curriculum.

US Department of Education National Blue Ribbon School

In 2016, NMSA was designated by the United States Department of Education as a National Blue Ribbon School.

One of Edutopia's "Schools that Work"

NMSA has been recognized by Edutopia (George Lucas Educational Foundation) as one of their "Schools that Work."

NMSA is a Digital Promise "Case Study" School

Digital Promise is a national center created by the United States Congress to advance technologies that transform teaching and learning.

NMSA is a Top School on Niche

#1 in Best High School for the Arts in New Mexico and for having the Best Public High School Teachers in New Mexico.

Higher than Average SAT Scores

NMSA's average composite SAT score is 14% higher than the state average.
