NMSA- Art Institute

Applied Lesson Instructor Job Description

Job responsibilities for the position include:

Develop a plan of instruction to ensure student growth on their chosen instrument (voice);

Teach one 30-minute applied lesson for each NMSA student during each week of the NMSA academic year;

Assign lesson materials as needed and guide each student, when necessary, as to where assigned materials can be purchased or prepare them for the student;

Serve on the semester jury panel for each student;

Provide grades assessment of each student each week; and

Other duties as assigned.
